FAIRMONT PACIFIC RIM

## Willow Stream Spa at Fairmont Pacific Rim

Resting at the ocean's edge, with majestic snow-capped mountains rising to the north, Vancouver embodies contemporary Canada. This cosmopolitan West Coast city — both a gateway to the East and a site rich in First Nations history — is home to many diverse cultures and traditions, all of which enhance its casual urban flavour, while nature's beauty, from towering pines to bracing sea breezes, is always waiting at your doorstep.

A perfect reflection of the beauty and grandeur of this unique location awaits at Willow Stream Spa at Fairmont Pacific Rim, a sensual oasis in the heart of the city. Soft fragrance, reminiscent of a dewy forest, welcomes you. The play of candlelight on textured stone walls and the soothing sound of fountains caress your senses. Serene lounges, warmed by fireplaces, invite you to slow down and relax. Spacious treatment rooms, in calming tones of blue and dove grey, reflect Vancouver's sea and sky, while the wood, marble and slate featured throughout the spa echo the area's rugged coastlines and lush mountainsides.

Be sure to take full advantage of our spa's facilities, including tranquil lounges for men, women and couples; comfortable treatment rooms; a state-of-the-art fitness centre and yoga studio; and a boutique offering Willow Stream signature products. Retreat to our outdoor deck, featuring private Jacuzzis and meditation pods, and take in stunning panoramic views of the city and harbour.

Of course, the treatments at Willow Stream Spa at Fairmont Pacific Rim, such as a maple-sugar scrub and the maple-butter Coastal Mountain Body Wrap, are authentically Canadian and unique to Vancouver. And try our exclusive Van Active program, perfect for getting in shape — or recovering from your latest mountain climb.

Let Vancouver's natural beauty inspire you. Find your energy here.
